about us

06 Media Aberdeen is a friendly, integrated creative company with over twenty years experience in the design and print industry. We offer expertise over a variety of communication disciplines from graphic design, to production for print, exhibitions, point of sale material, marketing, interactive and online media.

Our skills have developed over the years by taking on board the latest technology and software innovations, in order to keep us ahead of our competitors.

Our approach is to deliver cost effective, quality design, through to the finished product for our clients. We listen openly and we communicate honestly, all of which results in the solution that is right for your business.
